ORCHARD ROAD VETERINARY SURGERY

O.R.V.S is a mobile small animal specialty surgical service. We supply the expertise and equipment to perform a variety of orthopedic, neurologic and soft tissue surgical procedures. We work with you and your staff to provide the best surgical care possible for your clients

Call (608) 234-8655

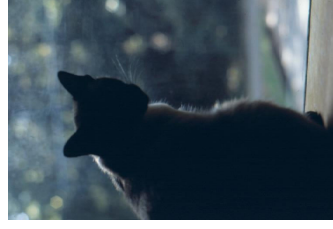

WHAT DOES O.R.V.S. HAVE TO OFFER YOUR CLIENTS?

Individual attention for your client and their pets before, during, and after surgery.

We understand how concerned clients are for their pets, especially when treatments such as surgery are recommended. That is why we promise to work with you and your clients until the desired results are achieved. We provide time for consultations with the client to review all that is involved with the planned surgical procedure. We also provide detailed handouts regarding post-op care and scheduled rechecks. We are always available for you and your clients to reach us by telephone, fax and e-mail should they have any questions or concerns.

O.R.V.S. works with you and your clients to achieve the best results and total satisfaction

CONSULTATIONS

Consults by Telephone, E-mail or Post

As well as in person consultations with your clients when requested.

YOUR SURGEON

MAURA G. O'BRIEN, DVM, DACVS

Dr. O'Brien is a 1987 graduate of the University of Florida College of Veterinary Medicine. After completing an internship at the Animal Medical Center in New York City, she completed a three-year residency in small animal surgery at Tufts University School of Veterinary Medicine and Angell Memorial Hospital, in Massachusetts. She was then accepted as a Fellow in Surgical Oncology at Colorado State University College of Veterinary Medicine (1991-1993).

She is a Diplomate of the American College of Veterinary Surgeons (1993)

Prior to relocating back to Wisconsin her practice experience consisted of eight years as staff surgeon at the VCA West Los Angeles Animal Hospital followed by three years as a surgeon with Surgical Options, LLC, a referral surgical practice in Madison, Wisconsin. This was followed by two years as a mobile surgeon in Northern Colorado and Wyoming. She is married to Dr. David Vail, DVM, DACVIM, who is a Professor of Oncology at the University of Wisconsin-SVM. She enjoys horseback riding, gardening and time with their dogs and cats.
